

## After Hours Phone Support - Legacy Games

Big Daddy Games' legacy "legends" still are in the field earning strong, after a decade plus of incredible popularity and PROFITABILITY! Game titles from BDG such as *Spooky 2*, *Spooky Cash*, *365*, *Game Day*, and more, are still top performers on-location today. Some of the games are now recreated and find new life on our latest *POWER PLAYER 3* and *SPOOKY TALL* platforms.

The popularity is so strong, for so long, that they game titles have far outlived their original hardware platforms. And since the Game Software of the Legacy Games' have not been changed in years, the menus, shortcuts, and fixes are original as when released. After decades of heavy use, our Operator's techs are expert with these systems, and are fully supported by a complete set of manuals for this the original *Power Player* Yellow-Dot system

There is no need to continue emergency after hours support for the legacy Yellow Dot Systems.

### **Starting immediately, BDG will end AFTER-HOURS Emergency Phone Tech Support for just our Legacy Products:**

- Yellow, Red, and Green Dot Systems: Motherboards; and Games.
- Progressive systems (Yellow Dot & Global)

Operator Manuals and Documents supporting all BDG products, including Legacy, are available for download <https://www.bigdaddygames.net/documents.php>

BDG still has a strong supply of parts readily available, even today to keep these legacy games earning. Please call Tech Direct @ 920-850-7409 during normal business hours and we will continue to assist you with your legacy products.

All other products will have our valued Tech Direct After Hours Support available.
