

DASH BOARD INSTRUCTIONS FOR bdgmaxconnect.com

1. If you are utilizing the Dashboard using the Dash settings page, you will be sent a user name and password.
2. Log into <https://bdgmaxconnect.com/login/>

Max Connect Customer Portal Login

[Forgot the password ?](#)

3. Go to ADMIN on the top right and select MANAGE BRANCHES.
4. Click Add Branch. The Branch is your Company. To finish, click Add Branch.
5. Back on the homepage click Admin, and then ADD ROUTE. The Route is the Location. It will be associated with your Company (Branch) to finish click ADD ROUTE.
6. Back on the homepage click Admin, Click ADD ASSET. The Asset is the Kiosk. It will be associated with the Location (Route)
7. The ASSET KEY is generated on the kiosk. For Built-In POS, Enter into the KIOSK MENU→DISPLAY POS→ADMIN→PAGE 8(DASH SETTINGS)//For External POS, ADMIN→ PAGE 8 (DASH SETTINGS)

8. Click NEW UUID
9. Enter the REGISTRATION NUMBER in the ASSET KEY box on the BDG MAX Connect website
10. Click DASHBOARD on the top left of the screen.
11. You should now see the DASHBOARD LINK for the Kiosk.

Clicking the Link should bring you directly to that Kiosks Dashboard
