Dragon Deluxe Version 1.0.0.6

1. Implemented new math model**
2. Title Change from "Golden Dragon Link" to "Dragon Deluxe"
3. USB Version Update Compatible
4. Skill Wheel/Bonus Wheel lock-up fixed
5. Progressive Connection fix
6. New Operator Defaults: **Difficulty – 5, Jackpots – 3
7. Lowered Default Master volume to 5%
8. Lobby IO bug fix
9. Graphical bugs fixed
10. Operator menu bug fix

**Note: This program has a new Math model to increase player pay percentage. This model follows the Difficulty scheme as common to Big Daddy's games. The default is level 5, as operated in Wisconsin, due to the tax paid on Total In. Other markets will see better results adjusting to Level 3 or higher.
